

BE POSITIVE

SHOWCASING THE EXPECT ATTITUDE TOWARDS OTHERS

**Be a leader not a
follower**

**This means, lead not
follow, because
mostly people follow
others.**

**Be the best you
can.**

**This means, no
one in this world
is perfect so you
try your best
and it might
surprise you**

**Never ever let
anyone put out your
FLAME!**

**This means keep on
going, never give,
and also don't let
anyone take away
that burning fire**

**Never judge a book
by its cover.**

**This means, don't
judge someone by its
personality, color and
face.**
